

# COMMUNITY FEEDBACK WORKSHOP

You are invited to help focus the priorities for our Village Downtown Strategic Plan!

## TIME TO ACT:

**April 12th - Thursday**  
**4pm to 7pm Open House**

## PLACE TO BE:

**Mukwonago Community Library**  
**511 Division Street**

## WHY NOW?

The Village Board, in response to requests from the public, moved to create a Downtown Strategic Plan through a Steering Committee.

The Strategic Plan is to set a vision for the future of our Downtown, including objectives and activities defined through a community effort and found to be important to us all.

## FORMATION OF THE DSPSC

To develop the Downtown Plan, in late Summer 2017 a group of 13 diverse members was assembled as the Downtown Strategic Plan Steering Committee (DSPSC). The members represent the community's interests and needs, and their goal was to develop a Downtown Plan by Spring 2018.

## WHAT CAN YOU DO NOW?

On Thursday, April 12th, you're invited to attend an open-house gathering between 4-7pm at the Mukwonago Community Library. Come for as long or short of a visit as you'd like. We'll have treats, beverages and a Door Prize Giveaway! You'll be able to meet the DSPSC members and engage in dialogue while providing useful feedback that will help prioritize activities to be included in the Downtown Plan.

## WE NEED YOUR FEEDBACK

During the Workshop you will learn more about the objectives included in the plan. Your feedback is required to help prioritize the activities in these goal categories:

- **Historic Preservation**
- **Pedestrian Friendly**
- **Culture and Recreation**
- **Business Development**

## WHAT HAPPENS NEXT?

Great question! After the Downtown Plan is finalized in Spring of 2018, our community will need volunteers to help put the Plan recommendations into ACTION. During the Workshop you'll have the opportunity to sign up for mailing lists and to volunteer to put specific recommendations into action. If you've ever thought about the changes and support you've wanted to see in Downtown Mukwonago now is your time to ACT!

## IMPORTANT TO THE COMMUNITY

Now is the time to develop a plan to ensure our downtown grows with community support!

You can help define the goal focus at the upcoming Community Workshop and by visiting us here.
